Child's Details

Please note that this application must be made by an adult who has parental responsibility for the child. It is not the responsibility of the school admissions team to determine parental responsibility. Where parental responsibility is equally shared, the Admissions Team will ask the child's parents to determine which parent should submit the application. If parents cannot agree and neither has obtained a court order stating who should be making the application, the school will accept an application from the parent in receipt of child benefit for the named child.

Where parental responsibility is held by someone other than the child's mother or father, it will be necessary to submit evidence of this in support of the application. An acceptable form of evidence for this purpose would be a copy of any legal document awarding parental responsibility to the adult making the application.

Declaration

I declare that I am this child's parent/legal guardian, and have parental responsibility for the child. The information I have provided is accurate and complete, to the best of my knowledge. I understand that my application will be processed in accordance with CCMS admissions policy and therefore there is no guarantee of admission. Furthermore, I understand that attending an admissions evaluation is no guarantee of admission.
